

# K75CTS

## Ultrathin/ Self-Payment Kiosk

**FLYTECH**

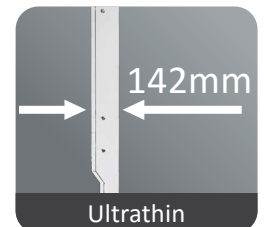

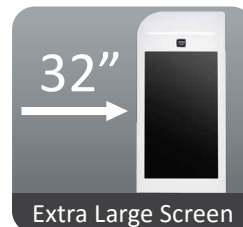

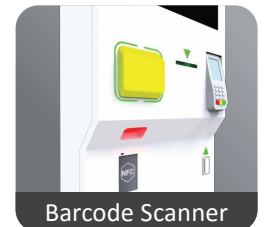

### Design Highlights:

K75CTS is an innovative and stylish kiosk which has large screen with thin body. It is designed for the Retail as well as F&B applications, such as Self-payment and Information. It leverages on Flytech's POS 8000 to provide a highest performance. Two-Point ELO SAW+ 32" Touch Monitor is chosen to provide response even to gloved hands in Winters. Different payment device is with different LED indicator. Moreover, it can be used as tower kiosk or wall mount kiosk.

Its modularized design allows you to build your own kiosk from a list of optional peripherals, such as Octopus and/or Paywave Reader; RFID/NFC Reader; Thermal Receipt Printer; 2D Bar Code Scanner; EFT Device and Web Cam. You can enjoy all these functions with such an eye-catching and ultrathin body.
