

# K75CW

Ultrathin/ 32" Touch Screen Kiosk

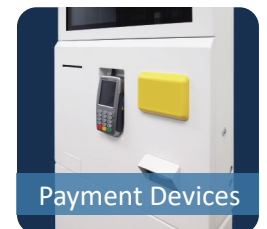

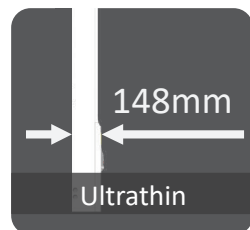

## Design Highlights:

K75CW is an ultrathin and stylish kiosk which can be used as Tower Kiosk or Wall-mount Kiosk to meet your demands. It is designed for the F&B as well as Retail applications, such as Queuing, Self-Payment and Information. The kiosk delivers all the reliability, functionality and performance efficiency required for an interactive information display in various touch applications. With such a large screen, K75CW still keeps an ultrathin body to save up valuable shop space for you.

Its modularized design allows you to build your own kiosk from some optional peripherals, such as Octopus and/or Paywave Reader; RFID/NFC Reader; Thermal Receipt Printer; 2D Bar Code Scanner; EFT Device. You can enjoy not only the eye-catching and ultrathin body but also these practical functions to improve your business.
