

K75DW

FLYTECH

43" Wall mount Kiosk

Design Highlights:

K75DW is an ultrathin and stylish kiosk which can be used as Wall-mount Kiosk. It is designed for the Retail as well as F&B applications, such as Queuing, Self-Payment and Ticketing. The kiosk delivers all the reliability, functionality and performance efficiency required for an interactive information display in various touch applications. With such a large screen, K75DW still keeps an ultrathin body to save up valuable shop space for you.

The modularized design on K75DW allows you to choose your Kiosk features from the same range of peripherals such as, Payment Readers, RFID/NFC Readers, Thermal Receipt Printer and 2D Bar Code Scanner. Moreover, You can enjoy not only the eye-catching and ultrathin body but also these practical functions to improve your business.
